

ANGELS for ANIMALS

Spay/Neuter Assistance Programs

DOG & CAT PROGRAMS

CARE FUND:

This fund is intended to help the pets of people with financial need.

The Care Fund money will be designated for pet owners who want to have their pet(s) spayed or neutered, but due to financial circumstances, are unable to afford Angels for Animals already low cost spays or neuters. The pet owner must contribute a percentage of the fee. The Care Fund will supplement the cost of the surgery. Care Fund money is allocated for spay and neuter surgeries only.

OPERATION LITTER CONTROL:

This fund focuses on female cats owned by people who are dependent on Social Security, unemployment, or disability.

This fund requires proof from the pet owner of such assistance. It is critical that help is provided to these pet owners who want to do the right thing by spaying/neutering their pet(s) but are unable to do so

SPAY DAY: BAN THE BIG BELLIES:

This fund helps support our semi-annual "Ban the Big Bellies" campaign.

We host a three-day spay/neuter marathon in February in collaboration with the Humane Society of the United States as part of their Spay Day effort. Our second one is in late fall and is an independent effort. The events offer \$10 surgeries for cats and \$25 surgeries for dogs. The number of cat/dog surgeries we can offer is dependent solely on the donations we receive from the public. Help

CAT ONLY PROGRAMS

2 FOR 1:

This fund is dedicated to helping stop the devastating over population of cats and kittens.

This fund allows pet owners to purchase one of Angels for Animals low-cost spay/neuter programs that include surgery, FELV/FIV testing, and rabies vaccination, and receive a second cat FREE! Imagine getting two cats tested, spayed, and rabies for \$70!! Individually priced services such as de-worming, flea control, micro-chipping, and vaccines are optional and may be added for each cat separately.

FERAL CAT FUND:

This fund's focus is to help area volunteer trappers who are attempting to clean-up feral cat colonies.

All cats that are altered through this fund will receive their spay/neuter surgery and a rabies vaccination. ALL CATS being altered with assistance from this fund will have their left ear tipped to denote they have been altered. Trappers must contribute a percentage of the fees and the Feral Cat Fund will supplement the cost of the surgeries.

SHOW US THE MOMMY!

This fund targets cat over population at the roots by 'fixing' mom cats and their young kittens.

This fund provides for the mom cat to be spayed on our \$70 program.... and her kittens spayed/neutered for only \$20 each! We want to sterilize these kittens before they are old enough to make more kittens! Let's stop the cycle before it starts!

DOG PROGRAMS

PIT BULL FUND:

This fund is an attempt to help decrease the number of unwanted Pit Bulls and part Pit Bulls in Mahoning, Trumbull, Columbiana, Portage counties.

Residents of these counties can bring their Pit Bulls or part Pit Bulls to Angels for Animals for a greatly discounted spay or neuter. Owners of the Pit Bull or part Pit Bull must provide proof of residency in one of the four counties and pay a percentage of the surgery fee. The Pit Bull Fund will supplement the remaining surgery fee.

MARTY'S FUND:

TRUMBULL COUNTY POUND DOGS ONLY

This fund was created to help support the work of Marty Conklin who voluntarily works countless hours to help dogs in Trumbull County.

This fund is intended to help people who have recently adopted from the Trumbull County Pound and need financial assistance getting the dog spayed/neutered. This fund is also intended to help residents of Trumbull County keep their current pet in their home if all that is required is assistance in spaying/neutering. Marty's goal is to decrease the number of unwanted pets born in Trumbull County and therefore reduce the number of animals. For information on how to apply for assistance from this fund contact :

SHOW YOUR SUPPORT - MAKE A DONATION TODAY

All of these funds are supported solely by public donations. If you are concerned about the number of feral cats roaming your neighborhood, or the number of unwanted pets dying in the pounds, please help support these funds. Think about the growing number of Pit Bulls in your area. Here is your chance to help! If you donate to a fund, your money will be used only in the fund you select. This way YOU can choose the way you help!

If there is not enough financial backing through donations, these funds will not be available.

To make a donation by phone please call 330-549-1111 or visit us on the web at <http://angelsforanimals.org/hlpfunds.asp>
