## **END OF LIFE SERVICES**

### **IT'S NOT GOOD-BYE. IT'S UNTIL WE MEET AGAIN.**

One of the most difficult decisions in owning an animal is deciding when it is time to say good-bye. We have a private entry with private, spacious, quiet rooms for euthanasia. Rooms were designed to give families a comfortable place to say good-bye to their furry friends.

Euthanasia can be one of the last loving gifts you can give to your pet or any animal that is suffering. Angels for Animals believes that no animal should suffer. When the time comes to make the decision for euthanasia, we are here for you. Our caring staff will assist with your pet's transition to the Rainbow Bridge.

Cremation is one way to keep your pets memory with you. We offer a variety of beautiful urns, boxes, and memorial keepsakes to provide a final resting place for a forever friend. We have a variety of memory boxes some with a place for a picture of your special friend. Stop in and see the beautiful necklaces and bracelets allowing your furry friend to be with you always. Memorial items can be found in the "Sweet Pea" Lariccia Pet Memorial Room or in our Angels for Animals Gift Shop.

## ANGELS FOR ANIMALS – WARMTH & COMFORT CAMPAIGN

*Our shelter has provided a temporary home for many homeless, unwanted and abandoned dogs and cats and has been well loved over the years, but it's age is beginning to show. We kicked off The "Warmth and Comfort" Campaign last year. With the support of many dedicated and generous donors, we have been able to complete and begin many critical repairs and improvements needed to keep our shelter and facility safe and comfortable for our staff, volunteers, and animals.*

*We have repaired our roof and the heating and cooling system in the shelter. We have begun renovations on our cat and kitten rooms so we can have more space. However, we still need to evaluate our original dog kennels and cages to determine the needed updates to improve the dog environment. We are creating a dog grooming area to provide privacy and more space for grooming. As we evaluate what we currently have, we are continually working to improve, update and repair our facility to care for shelter animals as well as privately owned pets.*

*We cannot work toward these goals without YOU!*

*We have been very lucky to have such a generous community to help create such a unique and beautiful facility. We are in continual need of donations to maintain and improve our facility. Your donations today will continue our pathway to the future!*

*Go to [www.angelsforanimals.org](http://www.angelsforanimals.org) to donate and make a difference or contact us at 330-549-1111, press #5.*

*We still have so much work to do to allow our facility to reach its potential. Many naming rights are still available.*

*Our square foot program is available at \$200 each and all names will be on display in the facility.*

*Tours of the Angel Wing are every Saturday at 1:00 p.m. or by appointment.*

*Contact Diane Less at 330-502-5352 to be a part of this one-of-a-kind miracle.*
